

# GREEN CLASS

## NEWSLETTER

19th April 2025

Dear Parents and Guardians,

What a joyful and exciting time it has been in Green Class! The children are growing in confidence each day, and their communication and listening skills have noticeably blossomed. It is heart-warming to see strong friendships forming, as they take turns with ease, share activities, and enjoy meaningful interactions with one another.

We have been diving into the world of phonics; exploring the letter sounds s, a, t, i, p, and n through lively stories, catchy songs, fun actions, and colourful flashcards. The children love connecting these sounds with familiar objects in their everyday environment!

Our little learners are also developing their thinking and problem-solving skills by working on 3 to 6-piece puzzles and discovering shapes and colours all around us.

Our current project, "Home Sweet Home," has sparked wonderful creativity and imagination! From role-playing home routines to learning about home safety and kindness, the children have been enthusiastically sharing their own stories and experiences from home. It has been truly delightful!

A Special Request:

We would love to celebrate our little stars even more! Please send us a photo of your child enjoying their favourite activity, helping out with home chores, or simply having their best moments at home. These special snapshots will help us build stronger connections between home and school.

Thank you for your continued support!

Regards  
Green class Team
