

RED CLASS

NEWSLETTER

19th April 2025

Greetings from the Red Class Team,

We are excited to begin our final term in Reception class! The children have returned with great enthusiasm, and we are already diving into exciting new learning experiences.

In Literacy, the children are enjoying Set 7 of our phonics program, focusing on double sounds such as **qu, ou, oi, ue, ar, and ur**. These are introduced through engaging storylines, actions, and songs. The children are also practicing reading instructions using reading strips and simple class tests to build confidence and fluency.

In Numeracy, we are exploring skip counting in **2s, 5s, and 10s** using number charts, rods, and cubes. We are also solving word problems, working with number bonds up to 10, and using number lines to strengthen our understanding.

Our current project, **"Blast Off!"** has taken us on an exciting journey through space. We have explored the solar system and discovered fascinating facts like how the sun is the biggest star! The children love our theme song, "Zoom, We are Going to the Moon!"

Next, we will begin our new project on **"Seasons,"** where the children will learn about the changes in weather and nature throughout the year.

Reminder:

Please read the books sent home with your child and remember to sign the reading log.

Warm regards,
The Red Class Team
