

# BEGINNING OF TERM NEWSLETTER

A Warm Welcome Back! 🙌

We hope you had a fantastic and restful break. The staff has been hard at work preparing for a year of learning, growth, and fun. We are especially looking forward to new challenges, exciting projects, and creating lasting memories together.

This year is a special milestone as we welcome the launch of our **Year 2 class**. We are thrilled to see our pioneer students moving forward with confidence and we take great pride in their continued growth and achievements.

We believe that a strong partnership between home and school is essential for student success. We encourage you to stay connected with us throughout the term. Feel free to reach out with any questions or concerns.

## Term 1 Focus:

Term 1 is all about settling in, establishing routines, and building a foundation for learning. The focus will be on emotional and social development, alongside introducing key academic concepts through play-based activities.

We wish to remind you that regular attendance is crucial for a successful start. Please inform the school if your child will be absent.

## Exciting News! 🌟

We are delighted to announce that Kiswahili language classes will commence this term, offering our learners an opportunity to explore and develop skills in this important regional language.

## Extracurricular activities/Clubs.

Registration for all clubs is ongoing and may be completed through the school administrator. We are also pleased to introduce two new clubs this term—**Chess and Tailoring/Beading**—and encourage interested parents to register their children early to secure participation.

We can't wait to see all the wonderful things our students will achieve this term. Let's make it a fantastic year!

Best regards  
Agatha Batenga - Headteacher.
